Dear Sirs,

Proposal to Develop 41 Lady Musgrave Road – PSJ Headquarters

The Pharmaceutical Society of Jamaica has been actively seeking to develop its property at 41 Lady Musgrave Road, Kingston 5, for some time now. We have been approached by several interest groups who wish to partner with us to undertake same.

At this point however, the Society has not yet settled on any of those proposals received as we continue to seek one that will meet the overwhelming desire of the membership, which is to retain full ownership of the property. At our last AGM, members voted for additional proposals to be obtained with cut-off date being January 15, 2021.

Consequently, we would like to extend an invitation for additional proposals to be submitted by said date to our Secretariat. It must be borne in mind that the Pharmaceutical Society of Jamaica wishes to retain ownership of the property and to protect this legacy for the posterity of pharmacists in Jamaica.

We look forward to your proposals and to engage in fruitful discussions as we embark upon this mammoth task. For further information please do not hesitate to contact our secretariat at the numbers listed.

Please be advised this proposal should in no way be in breach of the Society's constitution.

Kind regards
